25X1 MEMORANDUM FOR: [REDACTED]
Executive Assistant to the DDCI

25X1 FROM: [REDACTED]
Executive Secretary, SIG(I)

SUBJECT: SIG(I) Attendance and Meeting Location

1. Pursuant to your request, a chronology of the twelve (12) SIG(I) meetings held thus far is attached.

SIG(I) Membership: DCI, Chairman
Assistant to the President for National
Security Affairs
Deputy Secretary of State
Deputy Secretary of Defense
Chairman, Joint Chiefs of Staff

2. You will note by the attachments that we've never had all of the appointed members at one sitting, despite the fact that meeting announcements, back-up papers, etc., are forwarded directly to them. And, except for the Chairman, attendance by any appointed member is rare. The Assistant to the President for National Security Affairs and the Chairman, Joint Chiefs of Staff have yet to attend. The Deputy Secretary of State (Ambassador Stoessel) attended once, and the Deputy Secretary of Defense (Mr. Carlucci) attended on two occasions.

3. During the past week, I phoned the office of each member (including the personal secretary to the Deputy Secretary of Defense designee, Mr. Taft) and urged their attendance at SIG(I) meetings in consonance with NSDD-2. Responses were promising from Defense, State, and C/JCS. At the NSC, Wilma Hall (Executive Assistant) said she'd take it up with Mr. McFarlane--also, our request to hold SIG(I) meetings in the White House Situation Room. Regarding the latter, prospects seem doubtful even though I pressed politely that the SIG(I) is an NSC element and that it meets only four to five times each year. I was told that, of late, the Situation Room is getting more personal use by the President, the Vice President, and crisis teams and that the SIG(I) could be faced with being preempted at the last minute. At any rate, I was promised a response soon.

25X1 4. Regarding a SIG(I) meeting site, I have also looked into the possibility of using the DCI's EOB office as an alternative or as a backup to the White House Situation Room if we are permitted to schedule the latter. The table in the EOB space seats six comfortably, eight with a squeeze--or, if needed, get a larger table. There are some 15 additional chairs.

25X1 5. I'll keep working the problem.
